

# Century tech summary of the first term

**Some amazing results and incredible effort by our students, remember the more you do, the more you learn.**

These are the top students in each year group who stand out for their use of Century Tech since we started in September. These are their results over all their century classes/ subjects.

I have included all students who answered more than 500 questions correctly.

I have included questions answered CORRECTLY and the number of hours they have been on the platform.
